

FREE, no obligation injury screenings!

Whether you just injured yourself playing your favorite sport or have a nagging pain that won't go away, a free injury screening at Uxbridge Orthopedic and Sports Therapy can help you determine the right steps to take toward feeling better.

In a matter of 20 minutes, one of our expert physical therapists can evaluate your condition and provide you with some time efficient and affordable solutions for managing your painful condition or injury and making it go away sooner than later!

During your 20 minute Free Injury Screen you can expect:

- A one-on-one consultation with a licensed physical therapist
- Receive an initial assessment of your injury
- Get an explanation on the next steps to take. Depending on the nature of your injury you may receive advice on simple things to do at home, a recommendation for further PT treatment, or you may be referred to a physician for further medical testing.
- If you need to see a physician and don't have one, we will provide you with a list of recommendations.
- Guidelines on normal length of recovery for your injury

DON'T LET PAIN SLOW YOU DOWN!

Take advantage of our free injury screening and find out what to do.

- What do I need to do next?
- Do I need to see a specialist?
- Are there exercises I can do to help?

So, if you are experiencing a painful and nagging injury, don't put it off any longer. Give us a call today to schedule your Free Injury Screening Appointment.
